

Squiggles The
Orange
Caterpillar

Hello! My name is
Squiggles! I am an **orange**
caterpillar!

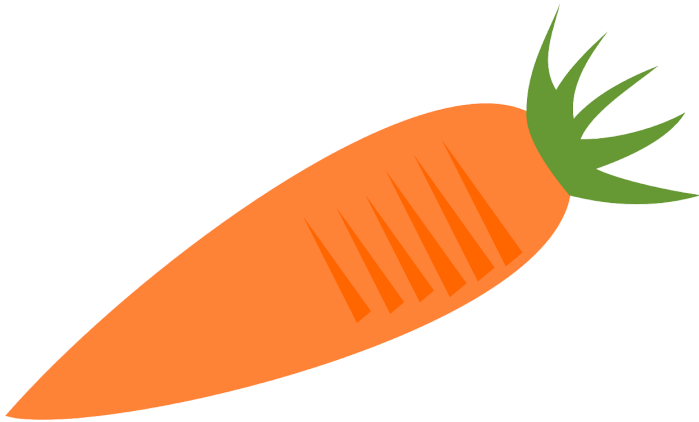

I like things that are the
color orange. Two of my
favorite foods are orange.
Can you guess what they
might be?

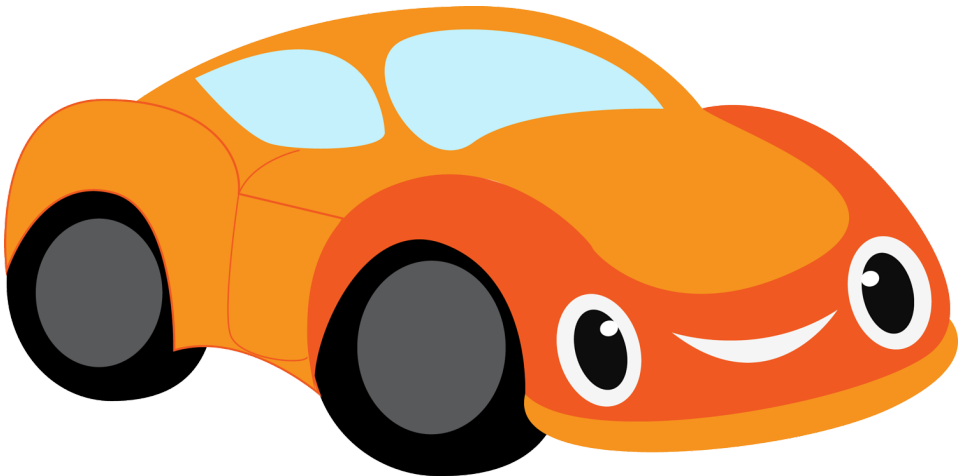

I like to eat oranges for breakfast. They are sweet and tangy. Sometimes I make orange juice with my oranges.

I like to eat carrots for my lunch. They are crisp and delicious!

I also have an orange car.
I like to drive it
everywhere!

I really love Halloween.
Everything is decorated
with orange pumpkins!

Orange is such a fun and bright color! What is your favorite color?
